Home Address: House 1, Street 73,
G-13/2, Islamabad, 44000, Pakistan

Objective

A self-driven Computer Science student with hands-on experience in **full-stack development** & **AI-driven products**.

Seeking **AI engineering internships** to apply expertise in modern AI tools, software development, and problem-solving.

Eager to contribute to **innovative, AI-driven products** in a collaborative team environment.

Education

Bachelor of Science in Computer Science

FAST NUCES Islamabad

Expected Graduation: August 2027

CGPA: 3.44

A Levels

Future World School H-11/4

2021-2023

3 A's in Computer Science, Mathematics & Physics
Also studied Further Mathematics & Sociology

IGCSE

Roots Millennium Flagship Campus I-9/3

2018-2021

8 A's (of which 6 A*s) in Additional Mathematics,
Computer Science, Mathematics, Physics, Chemistry

Achievements

- 1480 (out of 1600) on the SAT exam of which 790 (out of 800) in Maths Section
- Led multiple successful team projects from concept to deployment
- Built and deployed production-ready applications used by real users

Projects

AI Social Media Content Generator

December 2025 (Individual Project)

- Built an intelligent web app using HuggingFace's Llama 3.2 and a serverless Vercel backend to generate tailored social media captions and hashtags per platform in seconds
- Live: ai-social-content-generator.vercel.app

Connect - Event Discovery Platform

Fall 2025 (Led a Team of 3)

- Built a full-stack event platform with synchronized Android and Java desktop apps, managing the entire UI/UX design and development lifecycle

Instagram Clone

Fall 2025 (Led a Team of 3)

- Developed a fully-featured Instagram replica with authentication, posts, stories, likes, direct messaging, audio/video call, real-time feeds, etc.

Skills

Technical

Programming: C++, Python, Java, JavaScript, SQL

Web: HTML/CSS, React, Node.js, XML

AI: HuggingFace, LLMs, Prompt Engineering

Tools: Git, Docker, Figma, Notion, Canva

Soft

- Excellent communication skills
- Proven record of leading teams effectively
- Out of the box problem solving skills
- Motivation to perform above and beyond
- A constant thrill to learn and innovate
